

Program for Undergraduate Research Experience (PURE)

The PURE program offered by the Medical College of Wisconsin Graduate School is a non-paid, experiential-based program for undergraduate students who are currently enrolled in a degree-seeking program at an accredited college/university.

To view the faculty mentors and their departments, visit

<https://www.mcw.edu/education/graduate-school/prospective-students/internship-program-pure>.

BISC students can apply independently to the program. After being accepted into the PURE program, contact Dr. Makky (khadijah.makky@marquett.edu) immediately to gain departmental approval to enroll in BISC 4986, BISC Internship course.

Although you can apply at any time, they need at least a month before the start of the academic semester.

Questions or requests for additional information can be directed to pure@mcw.edu or (414) 955-4402.
