

M. City is about more than great food. It's about a team of dedicated professionals who are united by a common passion to deliver a successful catering experience. Building on a legacy of hospitality excellence, we leverage our vast expertise to create engaging events that exceeds the expectations of everyone we serve. We accomplish this by focusing on service, performance and guest satisfaction throughout the entire M. City experience.

This Supplemental Menu to the traditional M. City Guide features favorite menus adapted to provide additional safety and comply with local and campus event protocols during COVID-19. Served meals, buffets, and receptions are not listed within the menu at this time; contact the Alumni Memorial Union Event Services Office for availability and custom menuing.

As we progress through these times, we will look to expand and return to our full, regular guide safely to ensure you and your guests an enjoyable, and safe, experience.

Our culinarians and service employees are certified in additional training to ensure the safety of campus guests. Additionally, we follow strict sanitation protocols and documentation to provide a safe environment where collaboration can flourish.

Our event coordinators can provide campus catering planning guidance. We are happy to set an appointment to review your needs and provide a signature selection perfect for your event goals. Contact us at 414-288-7202.
