REQUEST FOR PERMISSION TO ENROLL PART-TIME

U.S. government regulations require F-1 students to be full-time students every semester except in unusual situations that are listed in the regulations. (A copy of the regulations can be found on the OIE website.)

If your reason to be a part-time student is one of the acceptable government reasons, you must first receive permission for part-time enrollment from a Designated School Official (DSO) at the Office of International Education in writing and in advance before you become part-time.

If you become a part-time student before you have permission in SEVIS from a Marquette DSO, you will lose your F-1 status, and the DSO will not be able to enter your permission in SEVIS. At Marquette, full-time is considered to be enrollment in at least 12 credits for undergraduates and at least 7 credits, or equivalent, for graduate students.

To request permission for part-time enrollment, please complete the following and return to OIE, with appropriate documentation:
